YSGOL GYFUN I FERCHED

HEDD – HARMONY, EXCELLENCE, DETERMINATION, DILIGENCE

Friday, 11 September 2020

Dear Parent and Carer,

As you will appreciate, due to the current situation, we have to be prepared for children working from home in the event they, or a child within their group tests positive for coronavirus. We sincerely hope we do not have to ask children to isolate at home, but should a child in her group test positive then we will contact you and your daughter will have to isolate.

If your child is self-isolating, we have detailed plans in place so she can continue to work at home. This would require her to access live videos and streaming lessons. The lessons would involve your daughter using her school google login to view lessons recorded by her teachers. Live streaming offers flexibility and sessions will be either accessed at the time of your daughter's lesson or released beforehand. These lessons will be available on google classroom or Loom which is an app we are using for this blended learning approach. .

We have undertaken a safeguarding risk assessment in live streaming and can assure you that there will be no faces/images in the streamed lessons, just audio and visuals of materials to support the lessons. This means your daughter will hear her teachers' voices, but not see their faces. We need your permission for this and would request you complete the form at the bottom of this letter. All staff are trained in delivering lessons this way and the safeguarding policy will be strictly applied.

Please could you email the form back to reynoe@lewisgirlsschoolcaerphilly.org by Tuesday 15th September. If consent is not given, your daughter will **not** be able to access the live streaming lessons.

Yours sincerely
